Azuma, is it okay if I sit here?
.....
About yesterday...
FLINCH
I felt something,
But that was the influence of a drunken state.

Kiss...?
Heh?
Does it usually feel like that?
About that kiss...
Ye...
I can rectify the situation!
Yeah, that's right!
As is often the case, if it wasn't for that situation...
Getting drunk must be the reason for the smooching.
mmm
Because of my devilish kiss.

That's why, too much...
Huh?
.....
clatter
Umm, Azuma, you have to go?

I failed...!!
Hey, you all right, Kaitou?
Ugh—
What if I hadn't gotten drunk?
...
clench
I may be a bug, but I still wanna see him...
cold
Azuma has complete contempt for me.

Truthfully, when we continued to kiss...
I had no choice, but to go with the flow.
IF I like him.
Oh, you're up.
What's wrong?
It's unusual for you to be like this.
First of all, if he likes me, he should've been happy that we were able to kiss!
You'd think it'd be a privilege. Stupid Azuma!!
grr
grr

i kinda like someone. i thought they were a friend & i kissed them.
Uhh— I'm happy for you.
Have some pride, man!
it's not like that. it seemed awkward afterwards.
i don't know if i can talk to a friend about this...
Uh?
i followed up by saying i was drunk off my ass at the time.
Somehow, it caused them to scorn me.
In any case, what do you think?
I don't
Uwaa.

Well— I am...
I am well-liked!
That's why you're not well-liked.
hahaha You're the worst—
Seriously, you treated the situation with this person like it was a joke.
You basically said that you kissed, but didn't mean to.
Ugh...
!
Okay Okay Let's get outta here.
Shut up already. You drunkard—
I still haven't drank enough, though.

.....
What is it?
Dya think...
I like... the one I kissed...?
What a pain— I seriously don't care!!
You don't know If you like them?!
Wah! It hurts, stupid!!

Kaitou.
...
This is T-Company's proposal.
if it was you, how would you summarize it?
He startled me.
Eh.
Uh...
No way! Azuma is abie to talk to me.
Who's?

So why?
He had a habit of completely ignoring me.
Umm, from this entire group, I recommend this stock.
You've made Plan B the standard.
Well then—
For some reason, he's relying on me.
Yeah, I see what you mean.
Here—
Doesn't this sorta have a nice feel to it?

All the same, thank you.
!
Why?
Why?
I knew it! That guy likes me!
bam
What I said about that just now has shocked him.
Devilish kiss from being drunk.
He must've been just sulking.
He's so awkward!

hnnnnn
Have I become used to seeing Azuma...?
What's with the doki doki...
After this, I have to make two copies of H-Company's materials to...
...day.

Having such an expression... I wonder if he's aware ot it.
.....
Aah, he saw me.
.....
Sheesh... he's annoying, but handsome, too.
And he's always sitting next to me.

The left side of my body,
.....
Is frazzled with awareness of him.
.....
Why are you looking at me?
I...
Kaitou.

This last proposal for T-Company was successfully settled!
They're enthusiastic, too!

No, I just chimed in on Azuma's plan...
As one would expect, Kaitou!
Oh really!?

Yeah...
I'm happy for you— Wasn't that T-Company's proposal?

Let's go celebrate! Celebrate, my man!!

Oh right.
.....
Kaitou, you went with Marayama to a restaurant that had delicious cuisuine...
...a while ago.
Oh! Were you curious? Do you wanna go today since it's close by?
Kaitou!
Privately, however...
Up till now, I was okay following you on the job.

Don't meddle with me.

I'll never understand Azuma.
...didn't mind using work as an excuse.
I thought he glanced at me with contempt.
He probably...
Why?
What the hell? Why am I only thinking of Azuma?!
Doesn't he like me?

Azuma has the boss's trust & hearty thanks.
With sincerity.
That is...
I'm popular with women. I have a rose-colored life.
I can work with many friends.
He looks mad because I'm more popular with the female employees.
Completely like Azuma.
I...
I'm an idiot.

I don't like Azuma.
Azuma likes me.
.....
Damn-it.
Ugh— Sour...
This sour feeling...
Wah— It suddenly started raining.
I want to see lightning, too!
Seriously?!
flinch

Isn't it safe?
Do you think the train stopped running?
It'll totally suck if I show my faults in front of so many people.
Excuse me, but I'll be leaving first!

Okay
I'm taking the back-up data.

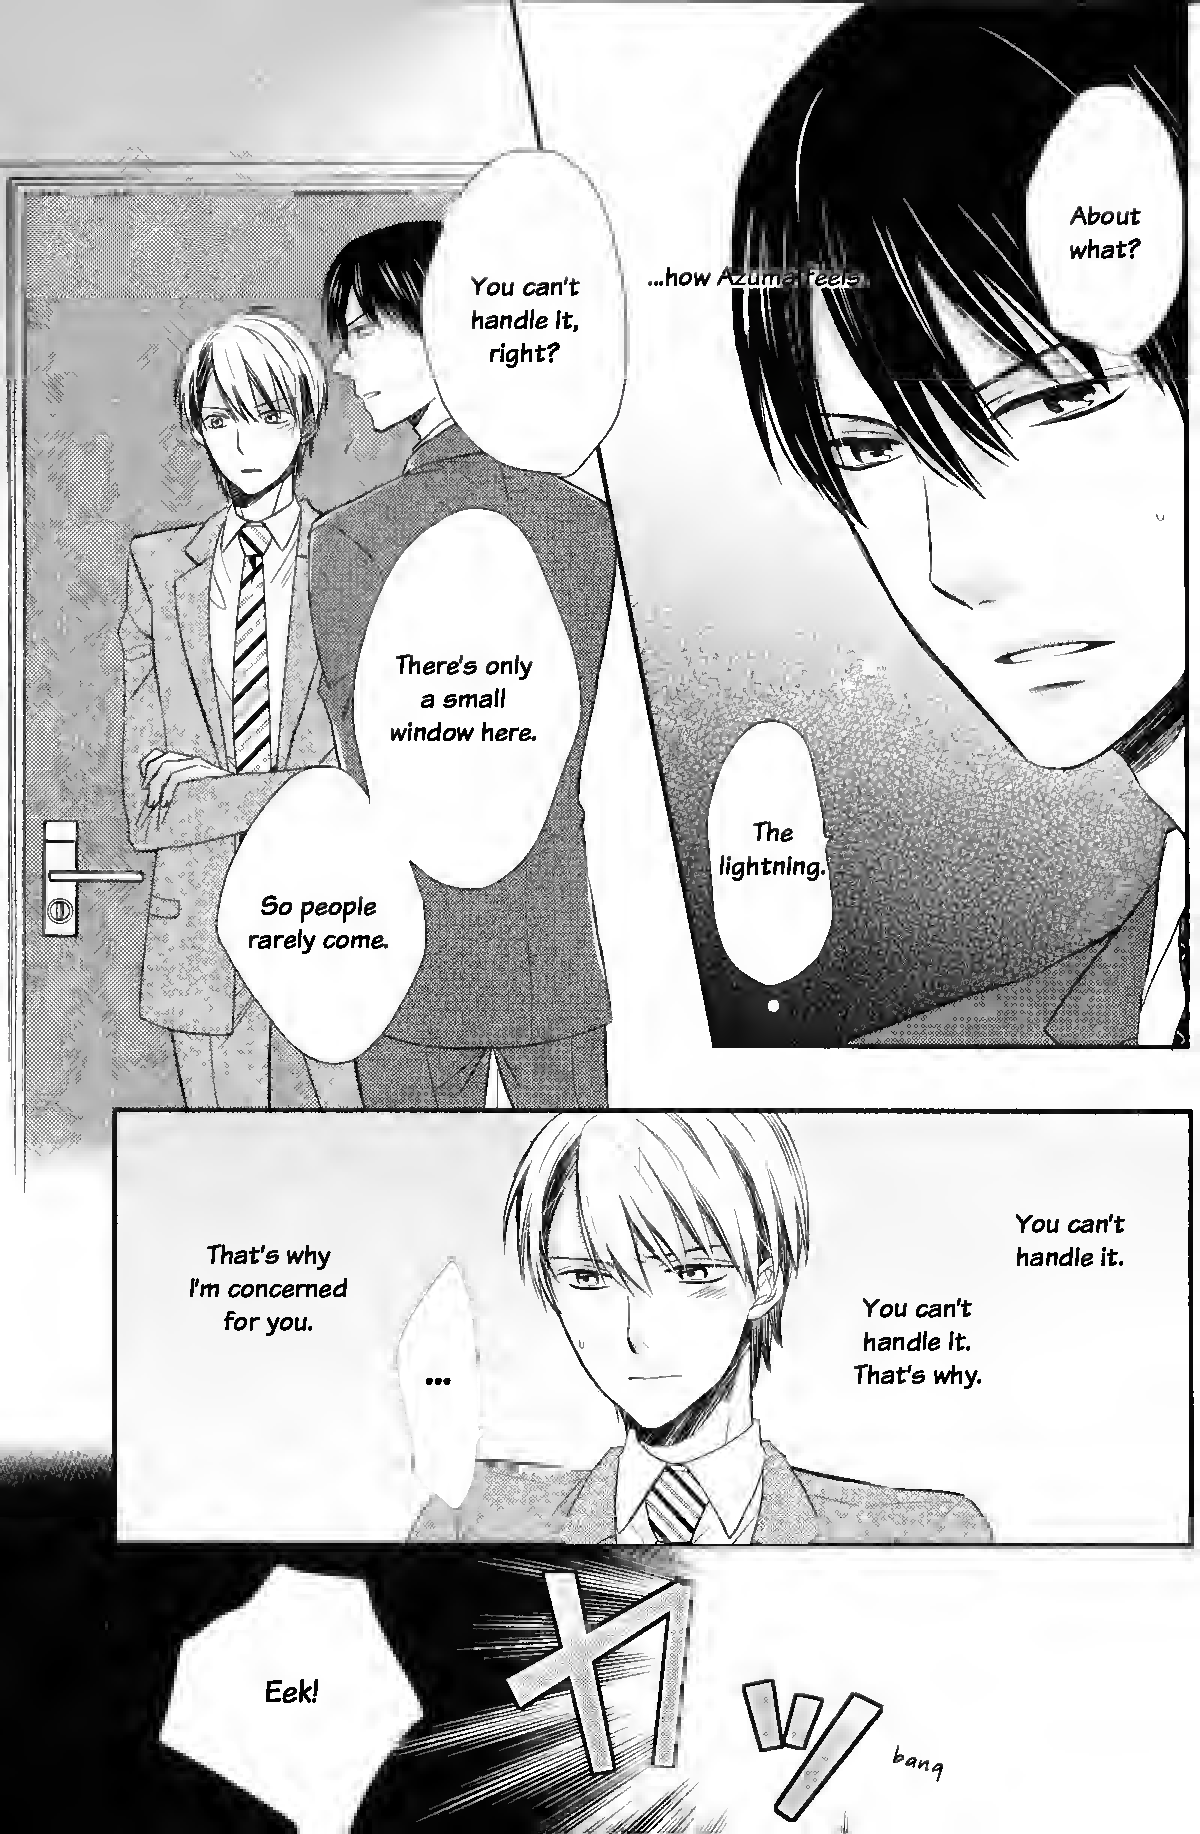
I'm worried about you.
I don't understand...



About what?
...how Azuma feels.
The lightning.
You can't handle it, right?
There's only a small window here.
So people rarely come.
You can't handle it.
You can't handle it. That's why.
That's why I'm concerned for you.
